

On April 17, 2015, the Canadian ABCP Fund LP (the “Fund”) made a distribution to unitholders of record as at March 31, 2015. Distributions were based on the amount of interest received on the investment holdings of the Fund for the period from January 1, 2015 to March 31, 2015. The distribution amount per series was based on each series’ pro-rata share of the Fund’s interest income. The price shown per unit of the Fund on each investor’s statement as at March 31, 2015 is net of the cash distribution. Outlined in Schedule A below is the distribution per unit for each series.
